9.108-3 Prohibition.

(a) Section 743 of Division D of the FY 2009 Omnibus Appropriations Act (Public Law 111-8) prohibits the use of 2009 appropriated funds for contracting with any foreign incorporated entity that is treated as an inverted domestic corporation, or with a subsidiary of such a corporation. The same restriction was also contained in the Fiscal Year 2006 through 2008 appropriations acts. In order to be eligible for contract award when using Fiscal Year 2006 through Fiscal Year 2009 funds, an offeror must represent that it is not an inverted domestic corporation or subsidiary. Any offeror that cannot so represent is ineligible for award of a contract using such appropriated funds.

(b) Contracting officers should rigorously examine circumstances known to them that would lead a reasonable business person to question the contractor self-certification and, after consultation with legal counsel, take appropriate action where that questionable self-certification cannot be verified.

9.108-4 Waiver.

Any agency head may waive the requirement of subsection 9.108-3 for a specific contract if the agency head determines in writing that the waiver is required in the interest of national security, documents the determination, and reports it to the Congress.

9.108-5 Solicitation provision.

When using funds appropriated in Fiscal Year 2006 through Fiscal Year 2009, the contracting officer shall include the provision at 52.209-2, Prohibition on Contracting with Inverted Domestic Corporations—Representation, in each solicitation issued after July 1, 2009 for the acquisition of products or services (see FAR 52.212-3 for solici-

tions issued under Part 12), unless waived in accordance with FAR 9.108-4.
